EXHIBIT A

Limited Warranty Section VII: Dispute Resolution Procedure

Grantor (referred to below by use of the terms "we", "us" or "ours") and Grantee (referred to below by the terms "you", "your" or "yours") acknowledge and agree that this Limited Home Warranty affects interstate commerce by virtue of the materials and components in the Home. Any dispute arising out of or relating to this Limited Home Warranty shall be resolved by binding arbitration pursuant to the Federal Arbitration Act and shall be administered by such third-party arbitration administrator designated according to this Section VII, in accordance with its applicable rules for governing residential construction disputes. Disputes subject to binding arbitration include but are not limited to:

- A. Whether a DEFECT or LOAD BEARING DEFICIENCY is covered by this Limited Home Warranty;
- B. We fail or refuse to correct a DEFECT or LOAD BEARING DEFICIENCY to your satisfaction or in a manner that you believe this Limited Home Warranty requires;
- C. We fail to respond to your written notice of a DEFECT or LOAD BEARING DEFICIENCY;
- D. Any alleged breach of the Purchase Agreement or this Limited Home Warranty;
- E. Any alleged violations of consumer protection, license rules, unfair trade practice, or other statutes;
- F. Any dispute concerning whether an issue should be submitted to binding arbitration;
- G. Any dispute concerning the timeliness of binding arbitration requests.

Any binding arbitration proceeding will be administered by one of the following arbitration administrators:

- i. DeMars & Associates, LTD;
- ii. Such other independent third-party arbitration administrator appointed by us that is qualified to administer arbitration pursuant to the Federal Arbitration Act; or
- iii. Such other independent third-party arbitration administrator designated by you that is (a) acceptable to us; (b) qualified to administer arbitration pursuant to the Federal Arbitration Act; and (c) willing to administer the arbitration consistent with this Limited Home Warranty.

The arbitrator will determine your and our rights and obligations under this Limited Home Warranty. These rights and obligations include but are not limited to those provided to you or us by local, state or federal statutes in connection with this Limited Home Warranty.

The award of the arbitrator will be final, binding and enforceable as to both you and us, except as modified, or vacated in accordance with applicable rules and procedures of the designated arbitration organization, or, in their absence, the Federal Arbitration Act.

Binding arbitration will be the sole remedy for resolving disputes for you and us. The cost and expense for the arbitration will be paid by us except for the One Hundred Dollar (\$100.00) arbitration filing fee which will be paid by the party requesting arbitration. If you request arbitration and you prevail on any claimed DEFECT or LOAD BEARING DEFICIENCY under dispute, the One Hundred Dollar (\$100.00) arbitration filing fee will be refunded to you. The process for either party to initiate arbitration is described below.

Step 1: Either party may complete a Binding Arbitration Request Form and mail it to the following:

True Homes Legal Department
Attn: Arbitration Requests
2649 Brekonridge Centre Drive
Monroe, NC 28110
legal@truehomesusa.com

A Binding Arbitration Request Form is attached to this Limited Home Warranty. The Binding Arbitration Request Form must be received no later than 90 days after the coverage for the disputed item expires. Please note that while you have 90 days to file for arbitration, this time period does not extend the warranty coverage period for Defects or Load Bearing Deficiencies. You must still notify us of an alleged DEFICIENCY or LOAD BEARING DEFICIENCY before the warranty for that item expires.

Step 2: Following receipt of your One Hundred Dollar (\$100) arbitration Fee, the arbitration administrator will identify a qualified arbitrator, in their sole discretion. Please note, the check should be payable to the arbitration administrator, who will not schedule the arbitration until after they receive the arbitration fee. The arbitrator will be one of the following, depending on the knowledge and experience needed to render an informed final decision:

- An attorney may be appointed if the claims involve complex contractual or legal questions.
- A structural engineer may be appointed for an allegation involving a Load Bearing Deficiency or other issue relating to structural integrity of the Home.
- A home inspector may be appointed if the claim involves workmanship, installation or other non-structural components.

Step 3: The Arbitrator will arrange the Arbitration Proceeding. In scheduling the hearing, the arbitrator will set a time and date that is reasonably convenient to all the parties. The Arbitrator or arbitration organization will notify both parties of the time, date and location of the arbitration hearing. Most often the hearing will be conducted at your HOME or some other location that is agreeable to all the parties of the dispute.

Step 4: The Arbitration Hearing. The parties at the arbitration hearing will include the arbitrator, you, and us.

To maintain the efficient and cost-effective benefits of arbitration to both parties, there will be no formal discovery process and the arbitration will be limited to one (1) day. Either party may provide the arbitrator with any evidence the party wishes the arbitrator to consider, and the arbitrator may request any additional information from either party. However, neither party has the right to demand any information from the other party, and depositions will only be permitted when deemed essential by the arbitrator.

After an opportunity to present evidence by both parties, an award will be rendered by the arbitrator. The award is final and binding on both parties. The award will include a ruling on the existence of any claimed or alleged Defects or Load Bearing Deficiencies as well as any other disputed matters or issues related to this Limited Home Warranty.

Step 5: Arbitration Performance Obligations. We will comply with the arbitrator's award no later than 60 days from the date of the award. However, delays caused by circumstances beyond our control shall be excused.

INFORMATION

Except as provided in this paragraph, the term "value" means "the consideration paid or to be paid in money or money's worth for the realty." Consideration paid or to be paid in money's worth includes, but is not limited to, other realty, personal property, stocks, bonds, partnership interest and other intangible property, the forgiveness or cancellation of a debt, the assumption of a debt, and the surrendering of any right. The fair market value of the consideration must be used in calculating the consideration paid in money's worth. Taxpayers may elect to use the fair market value of the realty being transferred in determining fair market value of the consideration. In the case of realty transferred between a corporation, a partnership, or other entity and a stockholder, partner, or owner of the entity, and in the case of realty transferred to a trust or as a distribution to a trust beneficiary, "value" means the realty's fair market value. A deduction from value is allowed for the amount of any lien or encumbrance existing on the land, tenement, or realty before the transfer and remaining on the land, tenement, or realty after the transfer. Taxpayers may elect to use the fair market value for property tax purposes in determining fair market value under the provisions of the law.

Exempted from the fee are deeds:

- (1) transferring realty in which the value of the realty, as defined in Code Section 12-24-30, is equal to or less than one hundred dollars;
- (2) transferring realty to the federal government or to a state, its agencies and departments, and its political subdivisions, including school districts;
- (3) that are otherwise exempted under the laws and Constitution of this State or of the United States;
- (4) transferring realty in which no gain or loss is recognized by reason of Section 1041 of the Internal Revenue Code as defined in Section 12-6-40(A);

- (7) that constitute a contract for the sale of timber to be cut;
- (8) transferring realty to a corporation, a partnership, or a trust in order to become, or as, a stockholder, partner, or trust beneficiary of the entity provided no consideration is paid for the transfer other than stock in the corporation, interest in the partnership, beneficiary interest in the trust, or the increase in value in such stock or interest held by the grantor. However, the transfer of realty from a corporation, a partnership, or a trust to a stockholder, partner, or trust beneficiary of the entity is subject to the fee even if the realty is transferred to another corporation, a partnership, or trust;
- (9) transferring realty from a family partnership to a partner or from a family trust to a beneficiary, provided no consideration is paid for the transfer other than a reduction in the grantee's interest in the partnership or trust. A "family partnership" is a partnership whose partners are all members of the same family. A "family trust" is a trust, in which the beneficiaries are all members of the same family. The beneficiaries of a family trust may also include charitable entities. "Family" means the grantor and the grantor's spouse, parents, grandparents, sisters, brothers, children, stepchildren, grandchildren, and the spouses and lineal descendants of any the above. A "charitable entity" means an entity which may receive deductible contributions under Section 170 of the Internal Revenue Code as defined in Section 12-6-40(A);

- (15) transferring title to facilities for transmitting electricity that is transferred, sold, or exchanged by electrical utilities, municipalities, electric cooperatives, or political subdivisions to a limited liability company which is subject to regulation under the Federal Power Act (16 U.S.C. Section 791(a)) and which is formed to operate or to take functional control of electric transmission assets as defined in the Federal Power Act.
